+250790059755

## Summary

Talented Software Developer professional highly experienced with a wide range of programming languages and design tools. Skilled at producing clean, secure code based on individual clients' needs. Focused on delighting customers with innovative, user-friendly designs. Currently, I've 8+ years of experience in developing high-quality websites, applications, and systems.

## Experience

## Software Developer

**Highland • Rwanda**

12/2022 - 01/2023

- Developing Frontend Application
- Developing Backend Application.
- Developing UIs with better UX.
- Debugging Codes and implementing better algorithms for tasks.

## Backend Developer

**Oluadepe farms nig. Ltd • Lagos, Lagos**

10/2022 - 12/2022

- Optimized websites to improve backward and cross-browser compatibility.
- Used established coding standards to streamline debugging, documentation, and system maintenance.
- Designed user-friendly software to improve accessibility and responsiveness.
- Collaborated with teammates to improve processes and produce better tools.
- Reviewed proposed UI and UX designs for technical feasibility by collaborating with back-end development personnel.
- Updated web pages and navigation tools to meet the client's current needs and improve usability. Validated the structure, security, and compliance of website code.

# Full Stack Developer

**FS.simplifier • Cape Town, Western Cape**

09/2021 - 10/2022

- Recommended and developed security measures in post-implementation analysis to reduce the risk of breach.
- Developed program logic for new applications based on new coding or revamped logic from existing applications.
- Applied feedback from code review and implemented changes to meet standards.
- Developed and upgraded backend Java code and related functionality.
- Modified existing software to correct errors, adapt to new hardware, and upgrade interfaces to improve performance.
- Designed and updated software systems to meet customer needs and exceed expectations.

# Backend Web Developer

**Bible Hub • Kicukiro, Kigali**

06/2020 - 08/2021

- Validated the structure, security, and compliance of website code.
- Gathered and evaluated the technical requirements for each site to produce the best code.
- Updated web pages and navigation tools to meet the client's current needs and improve usability. Improved coding of JavaScript and CSS to enhance user experience and functionality.

# Frontend Developer

**SPORTSWAY • Kicukiro, Kigali**

01/2019 - 04/2020

- Developed web applications using Agile and continuous delivery processes to refine the quality and improve output. Checked web pages for compatibility with the browsers, devices, and operating systems commonly used by customers.
- Gathered and evaluated the technical requirements for each site to produce the best code
- Continuously studied and improved abilities with a wide range of web technologies, design tools, and programming practices.
- I have implemented uptime checks to track application health.

# Backend Developer

**ACO-DIGITAL • Bucharest, Romania**

11/2018 - 01/2019

- Developed web applications using Agile and continuous delivery processes to refine the quality and improve output. Checked web pages for compatibility with the browsers, devices, and operating systems commonly used by customers.
- Updated web pages and navigation tools to meet the client's current needs and improve usability.
- Continuously studied and improved abilities with a wide range of web technologies, design tools, and programming practices.
- I have implemented uptime checks to track application health.

## Skills

1. Back-End Development
2. Frontend Development
3. Software development
4. JavaScript
5. Core JAVA
6. PHP
7. C++
8. C
9. React.js
10. Next.js,
11. Vue.js
12. Nest.js
13. Node.js
14. Express.js
15. Hibernate
16. Spring Boot
17. REST APIs
18. Phaser
19. BlockChain
20. Tailwind CSS
21. Html5
22. Pixi.js
23. Laravel
24. AWS
25. JIRA
26. GIT
27. Python
28. Django

29. Meteor JS
30. Flask PHP
31. Teamwork
32. Creativity
33. Problem-Solving
34. Adaptability
35. Time Management
36. Leadership
37. Communication skills
38. Education

# Software Engineering & Embedded Systems & CyberSecurity

Rwanda Coding Academy • Nyabihu, Northern Province  
08/2021

Currently, completing courses in computer science, robotics, and statistics

Served as President of the Student Council for the 2019 to 2021 academic year

Played the position of Wide Receiver on the school football team from 2019 to 2021

## Languages

1. English
2. French
3. Swahili
4. Kinyarwanda
5. Latin
6. Spanish
